Dr. Mrinal Buragohain, Professor, Department of Electrical Engineering, Jorhat Engineering College, Jorhat received B.E degree in Electrical Engineering from Assam Engineering College affiliated to Gauhati University, Guwahati, Assam. M.E Degree in High Voltage Engineering from Jadavpur University, Kolkatta. After this he completed his Ph.D. in Control System from the ECE Department in the Indian Institute of Technology, Guwahati. His research interests include soft computing application in nonlinear systems and Optimal and Adaptive Control.
