Career Guidance and Counseling of students

Importance of Career Counseling

Career counseling can help students and individuals to identify and overcome barriers that may be preventing them from achieving their career goals. Common obstacles that career counselors can help with include a lack of direction, self-doubt, imposter syndrome, and a lack of confidence. Every single student requires career guidance in his or her career. It helps students get insights about their career and what they can do to improve it.

The Training and Placement Cell of Jorhat Engineering College is organising Career Guidance and Counseling for 1st, 3rd, 5th and 7th Semester students of Jorhat Engineering College, JEC from **28-11-2022 at TPC**. The Career Guidance and Counseling will be provided through **offline** and **one-on-one counseling**. Each student will be able to interact about 20 to 30 minutes with the counsellor during counseling. The time slot will be provided for each student. Interested students are requested to fill the Google Form (last date of registration 25-11-2022, Time 11.59 PM) for participation in the Career Guidance and Counseling Program.

<https://docs.google.com/forms/d/10N5C-uRLNZKuNe2ezYa7gWE-r981B31a8d6QISRwcfo>

There will not be any training fee. The registered **Students have to appear the counsellor in his allotted slot (20 to 30 minutes), failing which he/she will not be eligible for participating in future training provided by TPC, JEC.**
