

A Report on Two Days Technical Talk on “RIVER EROSION CONTROL WITH SPECIAL REFERENCE TO NORTH EAST INDIA”

The talk dealt with the problem of river erosion and the related hardship to the effected populace that has assumed alarming magnitude in recent times; especially in the Brahmaputra River system. The various topics that were presented in the talk sessions have therefore judiciously chosen to cover the different aspects related to this issue, including the relevant mitigating and controlling measurers.

The Schedule of the talk was

SI No	Program	Date and Time
1.	Registration and Inauguration Inaugurated by Prof. P. K. Khaund, HOD, Civil Engineering Department	1 st June, 2018 9:00 AM- 9:30 AM
2.	1 st Talk: Application areas of Geo-informatics in River Erosion control and Water Shed management Delivered By: Dr. Arup Kumar Sarma Professor, CED, IITG	1 st June, 2018 9:30AM-10:30 AM
3.	2 nd Talk: Application areas of Geo-informatics in River Erosion control and Water Shed management Delivered By: Dr. Arup Kumar Sarma Professor, CED, IITG	1 st June, 2018 10.45 AM-12 Noon
4.	3 rd Talk: Experimental Study on anti erosion effects of porcupine spurs/ screens. Delivered By: Mr. Rituparna Goswami Assistant Professor, CED, JEC	1 st June, 2018 2.00 PM- 3.00 PM
5	4 th Talk: Experimental Study on anti erosion effects of porcupine spurs/ screens. Delivered By: Mr. Rituparna Goswami Assistant Professor, CED, JEC	1 st June, 2018 3.15 PM- 4.00 PM
6	5 th Talk: Various causes of Erosion and Protective Measures that are used or may be used to check Erosion in Brahmaputra Valley. Delivered By: Dr. Prasanna Kumar Khaund Professor & Head, CED, JEC	2 nd June,2018 9:30AM-10:30 AM
7	6 th Talk: Various causes of Erosion and Protective Measures that are used or may be used to check Erosion in Brahmaputra Valley. Delivered By: Dr. Prasanna Kumar Khaund Professor & Head, CED, JEC	2 nd June,2018 10.45 AM- 12 Noon
8	7 th Talk: River Bank Stability Analysis using GIS Delivered By: Dr. Mrinal Kumar Dutta	2 nd June,2018

	Associate Professor, CED, JEC	2.00 PM – 3.00 PM
9	8 th Talk: River Bank Stability Analysis using GIS Delivered By: Dr. Mrinal Kumar Dutta Associate Professor, CED, JEC	2 nd June,2018 3.15 PM – 4.00 PM
10	Valedictory Session	2 nd June,2018 4.00 PM – 4.15 PM
