Engineers' Day celebration 2019

Engineers' Day is celebrated on September 15 every year in India commemorating the birthday of one of the greatest engineers in India Sir Mokshagundam Visvesvarayya, popularly known as Sir MV. This was 51st anniversary of the Engineers Day in India and 158th birth anniversary of Sir M. Visvesvaraya.

On the occasion of this auspicious event Jorhat Engineering College ISTE Student's chapter organized several events on 15th September 2019.

The ISTE students' chapter released the 2019 edition of the Technomag- The technical wall magazine followed by four competitions to be participated by the students of Jorhat engineering college.

The events were grand success as many participants turned up to participate in the various events. The winners and runners up were given certificates of excellence and trophies.

The following events were held on engineers' day 2019.
