

**A REPORT ON ONE DAY TALK**  
**ON**  
**PROJECT MANAGEMENT AND FINANCE**  
**ORGANISED BY**  
**DEPARTMENT OF INSTRUMENTATION ENGINEERING**  
**JORHAT ENGINEERING COLLEGE, ASSAM**

Instrumentation Engineering Department, Jorhat Engineering College has conducted a one day talk for the students of Jorhat Engineering College on 18<sup>th</sup> June 2018. The registration and inauguration of the program started at the scheduled time at the department seminar hall and the resource persons and the dignitaries arrived at 9 am. The inauguration program started with the welcome speech of the HOD (Instrumentation Engineering) and felicitation of guests were done.

The resource person Dr. Rohit Kumar Sharma started his talk with his brief introduction and delivered his talk on the Project Management & Finance and continued it for the whole day. In his speech he briefed about the project management including Project Life Cycle and also focussed on concepts of project finance.

**About the Topic**

**Project management** is the practice of initiating, planning, executing, controlling, and closing the work of a team to achieve specific goals and meet specific success criteria at the specified time. The management of the finance in doing a project also plays an important role. The entire talk can thus be divided into :Part-A will cover the basics concepts of Project Management including Project Lifecycle, Work Breakdown Structure and Project Time, Cost and Risk Management etc and Part B- focuses on the concepts of Project Finance which includes Sources of Funding, Feasibility Analysis & Social Cost Benefit Analysis.
