

**A REPORT ON  
INDUCTION PROGRAM FOR THE FIRST YEAR ENGINEERING  
IN  
JORHAT ENGINEERING COLLEGE, ASSAM**

**Date : From 24-01-2018 to 30-01-2018**

Jorhat Engineering College, Assam has conducted a week long Induction Program for the first year students of 4-year Bachelor of Engineering Degree course from 24<sup>th</sup> January 2018 to 30<sup>th</sup> January 2018. The inauguration function of the program took place at the College Auditorium on 24<sup>th</sup> January 2018. Dr. Parimal Bakul Baruah, The Principal In charge the College was invited to inaugurate the programme. Dr. Parimal Bakul Baruah, in his inaugural address appreciated the effort of coordinators and TEQIP Cell, of the college for taking such educative programme first of its kind to groom and nurture young engineering students to mould student fraternity in the days to come. Dr. Thuleswar Nath, Associate Professor of Mechanical Engineering Department delivered in his fertile speech on Human Values exhorted the participants to utilize the imputes to impart better learning methodology. There was an ice-breaking session too.

The aim of the Seven days Induction Program was to give the newcomers a bird's eye view about the various dimensions of engineering and the career opportunities for engineering students and to acquaint them with the systems and procedures of the college and also to give them an idea about holistic approach and professional ethics. The idea of such programme came from the thought that one of the reasons for disorienting of engineering students is sheer ignorance about their opportunities and the directions they have to move so as to become successful as an engineer. In the absence of such a structured program, the students seem to have often misguided by the casual approach of some of their seniors towards studies. The program aimed to give a proper orientation to the new students about the course and about future prospects as well as the methodology of learning to be adopted to be successful in life.
