

## ISTE-JEC in association with JEC Alumni Association celebrated Engineers Day on 15th September 2023

On September 15 every year in India, Engineers' Day is celebrated, remembering the birthday of one of the greatest engineers in India Sir Mokshagundam Visvesvarayya, popularly known as Sir MV. This was 55th anniversary of the Engineers Day in India and 162nd birth anniversary of Sir M. Visvesvaraya. On this auspicious event, Jorhat Engineering College ISTE Student's chapter organized several events on 15th September 2023. The ISTE students' chapter released the 2023 edition of the technical wall magazine followed by two competitions to be participated by the students of Jorhat Engineering College. The events were a grand success as many participants turned up to participate in the various events. The following events were held on engineers' day 2023:

**Wall Magazine Release:** The 2023 edition of the Technical wall Magazine was inaugurated by The Distinguished Alumni and Principal in charge of Jorhat Engineering College Dr. Mrinal Borah. The theme of 2023 Wall magazine was SPACE EXPLORATION

**Group Discussion Competition:** The students of JEC participated in a battle of words, where students showcased their intellectual prowess by debating on various topics.

**Earthquake Resistant Tower Building Competition:** Students participated in groups of 2-3 construct a tower using toothpicks, thermocol, glue, and cardboard - all provided by ISTE. Our specially designed shake table will mimic the tremors of a real earthquake.

**Prize Distribution Ceremony:** The winners and position holders were given certificates of excellence and trophies.
